The refrigerated display cabinet RD 80 F is specially designed for presentation of

pastries, pies and desserts in your restaurant or bakery.

Description

Highlight your desserts at the right temperature in the refrigerated display cabinet with fixed grids!

Panoramic and equipped with 4 LED lighting, the refrigerated display cabinet RD 80 F showcases your pastries, pies and all your desserts based on fruit.

Your pastries and culinary creations are presented on 5 fixed grids of dimensions 735 x 495 mm and adjustable on 7 levels.

The vertical showcase RD 80 F is equipped with a very efficient cold system.

The ventilated refrigeration system ensures a uniform temperature of +2 to +10 °C throughout the vertical showcase.

The evaporator placed in the upper part guarantees a homogeneous cold in the whole refrigerated display cabinet.

The electronic thermostat allows automatic defrosting every 2 hours.

Perfectly insulated, this vertical showcase with positive cold is equipped with double glazed walls.

All refrigerated pastry display cabinets are factory tested at an ambient outside temperature of 29 °C.

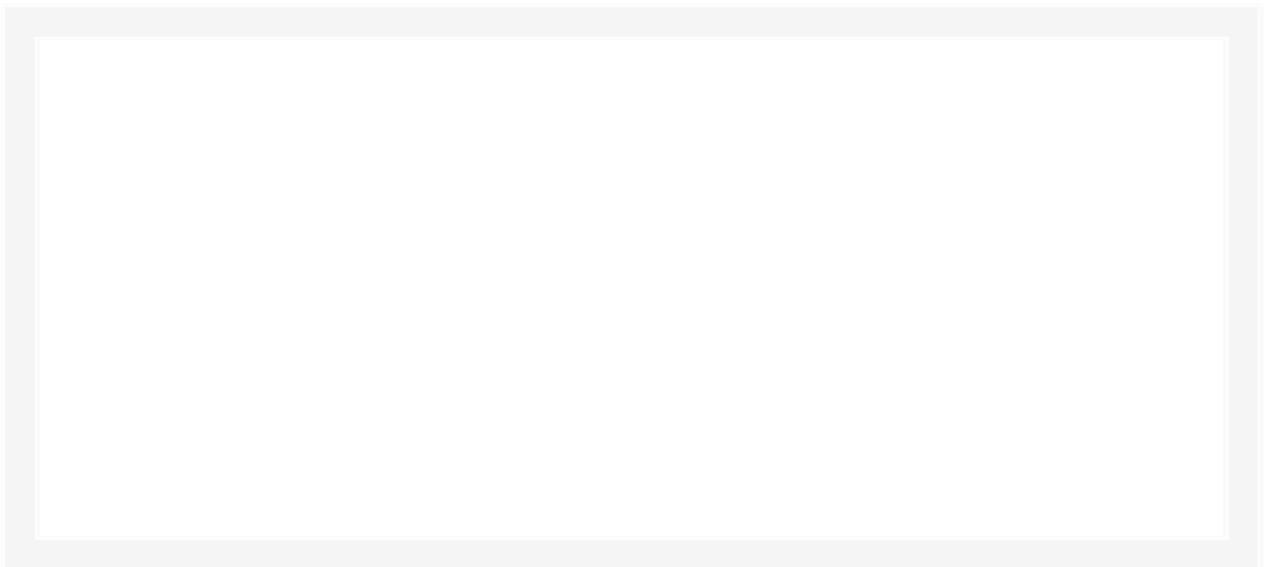

Features: electronic thermostat control, 4 LED ramps, magnetic closing door, double glazing, Tecumseh FRANCE compressor, R2910f ygoau sc.o Tnrtoinpuiec taol ibzreedw sseh tohwis cwaesbes itme,ounted on 4 double wheels. Available in black or white. You are allowing all third-party services

Option: micro-hole glazing for use in the mountains.
